I agree that the FIRST aim of minor sports is the personal and character development of each individual participant and the winning is a secondary achievement: that each participant in my charge will be given equal opportunity and consideration in all situations and contests; that the actions of all coaches during any contest shall be that of sportsmanlike conduct and shall exemplify good example. I am aware of and agree that any behavior on my part, which may be contrary to the above aims, would forfeit my coaching privileges. I also agree that I will be involved in the house league program for the 2023 season.
